Proud to Celebrate 25 Years in Business

Some of the Largest Companies in the U.S. Trust Atéssa's Administration Solutions

SAN DIEGO, CA – March 6, 2014 – Atéssa Benefits, Inc. (“Atéssa”) is proud to announce that today marks its 25 year anniversary as a trusted provider of employee benefit plan administration and consulting services.

“We are thrilled to be celebrating this anniversary milestone and wish to acknowledge and thank each and every employee who has helped to deliver the Atéssa promise for the last 25 years. I’m proud to work with a team which through hard work, dedication, perseverance, and innovative technology, has made Atéssa the company it is today,” said Karen Matingou, Chief Executive Officer.

“Throughout the years Atéssa has been a stable and reliable partner for our corporate clients,” said Atéssa President Mike Bourne. “We measure our success by our ability to help our customers cost-effectively offload their administrative burden to Atéssa so that they can concentrate on the growth of their core business.”

“It’s exhilarating and rewarding that several of our customers have been with us for as long as we’ve been in business – 25 years. Thank you to all of our customers who have entrusted their administration needs to Atéssa. Our continued growth and prosperity is much attributed to their continued loyalty and we look forward to continuing to foster those relationships for many years to come,” added Matingou.
